

# YES LEADer Profile

**Name:** Erica Gage

**School:** Norwich High School

**Grade:** 12

**Number of years in this club (including this year):** 3

- **Why did you choose to become a YES LEADer?**

The world needs good people and I am always trying to be a better version of myself everyday and make a difference wherever I can. It's also good to have someone to look up to and I hope to be someone that can set a good example

- **Returning LEADers: What was your favorite part of YES LEADS last year?**

I enjoyed seeing the different activities and seeing how they may have been different from the year before or from when previous YES LEADers taught me as a kid. I also enjoyed seeing all of the kids have fun while learning

- **Why do you think it's important for children to make safe choices?**

They are the future of the world and it is good to be educated and learn how to make good choices early in life

- **What are three of your hobbies?**

Tennis, spending time with family, watching YouTube

- **What's the best movie you've seen in the past year?**

IT Chapter.2 because I don't watch a lot of movies and this is one of the only ones I remember seeing but it is different from most horror movies

- **If you could meet anyone (past or present) who would it be any why?**

If I could meet anyone, I would meet Jon Bellion because he is my favorite singer/artist and each of his songs has a specific message and he is very aware and cares about everyone
