- **Why did you choose to become a YES LEADer?**

I chose to become a YES LEADer because it is fun and I enjoy working with the younger kids at Perry Browne. Also it looks good on college apps

- **Returning LEADers: What was your favorite part of YES LEADS last year?**

My favorite part of YES LEADS in the past years has been helping the younger kids when we go to different schools. Also the trip to Binghamton with the other leaders as really fun

- **Why do you think it's important for children to make safe choices?**

It is important to instill these healthy habits and thoughts in the kids now so that they don't do it when they're older and know it is not safe and healthy

- **What are three of your hobbies?**

Swimming, drawing and painting, and listening to music

- **What's the best movie you've seen in the past year?**

I saw Escape Room at a friend's house this year. I had low expectations but it as actually pretty good and a bit scary

- **If you could meet anyone (past or present) who would it be any why?**

I would definitely want to meet Audrey Hepburn because not only is she an amazing actress, she is also a great human being. I aspire to be a humanitarian and philanthropist at her caliber.
